PROFILE

B.Tech Computer Science Engineering student with hands-on experience in Python, SQL, and full-stack development.

Strong in logic building, debugging, and developing practical software solutions through internships and projects.

Seeking an Analyst / Engineering role in a technology-driven organization.

EDUCATION

Bachelor of Technology in Computer Science and Engineering

SGMCOE, Mahagaon – Shivaji University | 2023-2026

SKILLS

Technical Skills: Python, C, C++, SQL, MySQL, HTML | Concepts: DSA (Basics), OOPS, DBMS
Soft Skills: Problem Solving, Team Collaboration, Leadership, Quick Adaptation

EXPERIENCE

Intern – Malleable Software Private Limited | June 2022 – September 2022

- Built 3 Python GUI-based applications including Snake Game using 'pygame' with 300+ lines of code.
- Enhanced debugging skills by resolving 20+ logic errors during real-time code walkthroughs.
- Coordinated with a team of 5+ interns and participated in pair programming sessions.

Intern – Spark Lab IT Solutions Pvt. Ltd. | June 2025 – July 2025

- Built a full-stack eCommerce web application using Flask and MySQL with cart functionality and admin panel.
- Managed 50+ products and optimized database queries, improving query efficiency by approximately 20%.
- Gained experience in backend logic, database design, and real-world application workflows.

PROJECTS

Student Hub Web App
- Full-stack app for registration, attendance, content sharing & PDF reports.
- Achieved 100% report accuracy; managed 50+ students per batch.
  Tech: ReactJS, PHP, MySQL

Jarvis AI Assistant (Tura)
- Python-based assistant using Speech Recognition & OpenCV.
- Automated 10+ daily tasks (apps, PDFs, basic object detection).

ACHIEVEMENTS

- **Winner –** Code War SACS 2K26, National Level IT Competition
- **2nd Runner-up –** Hackathon @SGMCOE, Java CRUD GUI built in 3 hours

CERTIFICATION

Python Programming for Beginners – Udemy (2025)

HOBBIES & INTERESTS

- Exploring AI tools like ChatGPT, Google Gemini, ChatPDF, Blackbox to boost productivity.
- Travelling to new places, especially on educational tours and project expos.
